

PARADISE IS NEVER FAR AWAY

## THE LOCATION

Dos mares, más de 300 días de sol al año y sus espectaculares playas hacen de la Costa Cálida un destino con posibilidades casi infinitas.

Refugiada en un rincón de la costa mediterránea, nuestra región es rica en historia y cultura contemporáneas. Poblada de parques naturales, espectaculares vistas panorámicas, una gastronomía única, ciudades históricas, museos y fascinantes festivales locales que invitan a descubrir las maravillas de la vida.

Two seas, more than 300 days of sun per year, and spectacular beaches make the Costa Cálida a destination of almost infinite possibility.

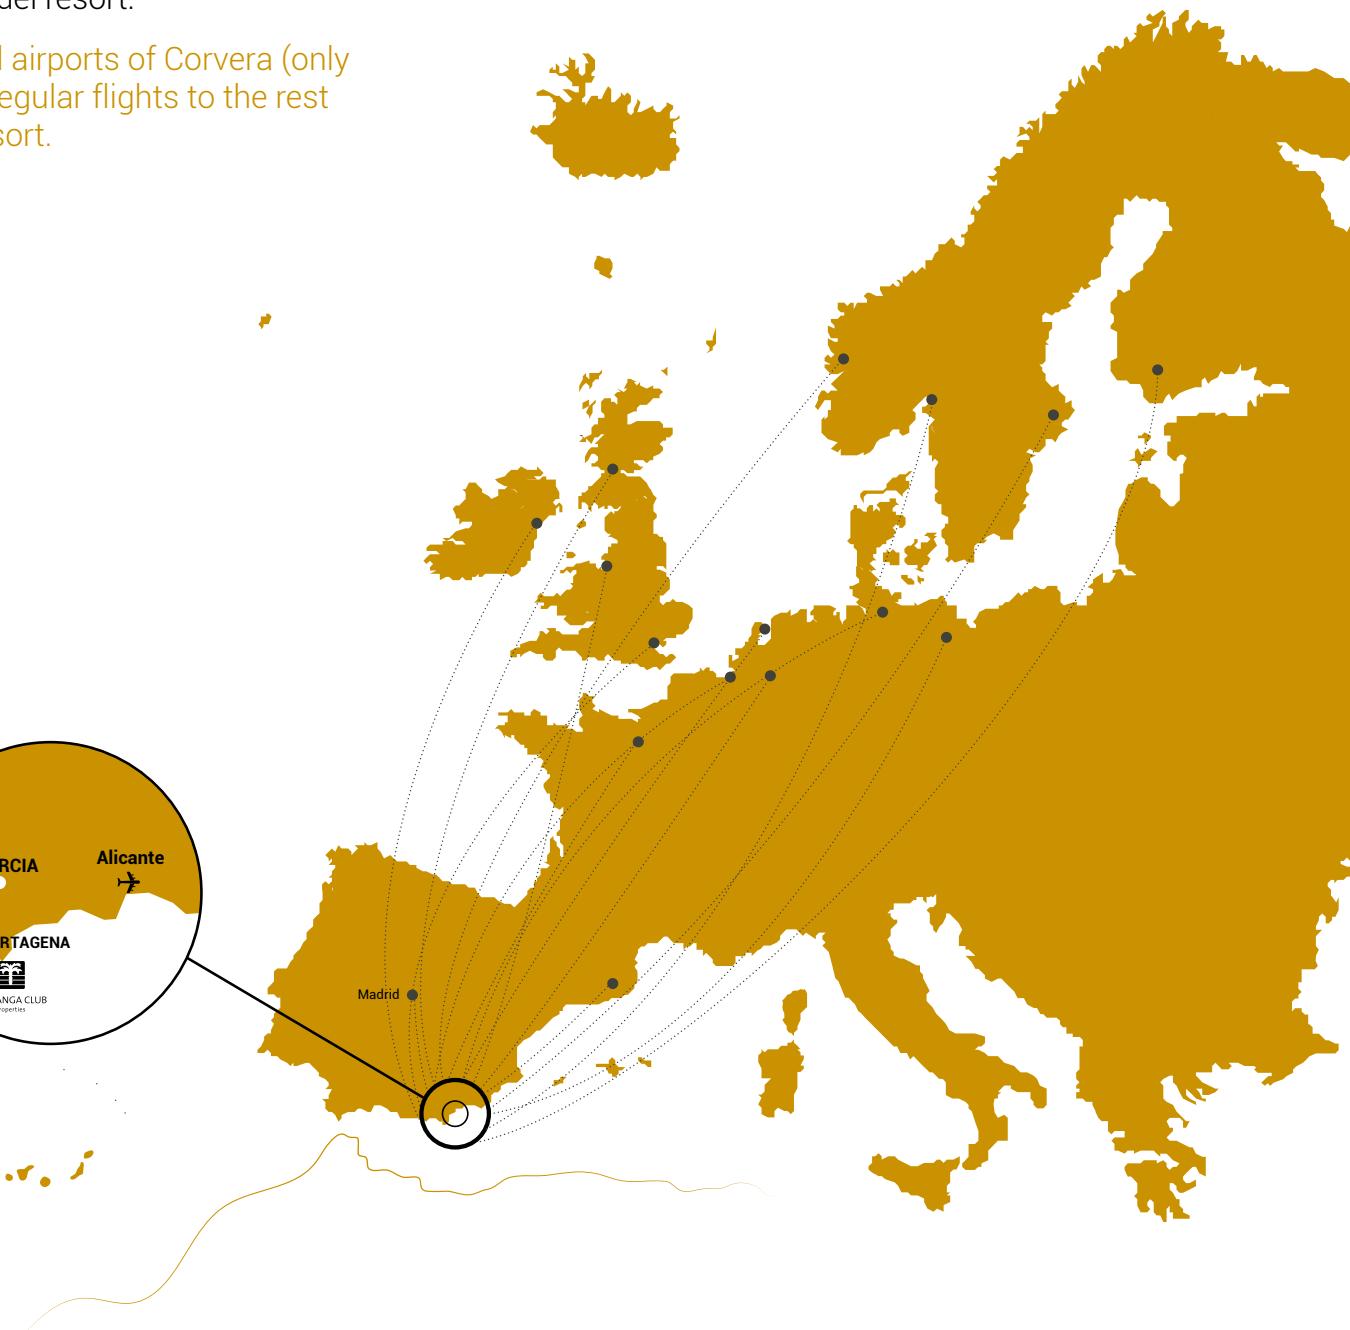

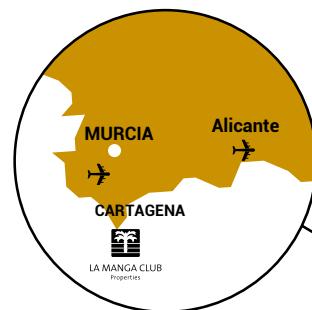

Ensconced on the Mediterranean shore, our region is rich both in tradition and lively modern culture. Natural parks, sweeping panoramic views, unique cuisine, ancient cities, museums, and fascinating local festivals beckon you to the discoveries of a lifetime.

La Manga Club goza de excelentes conexiones aéreas. Los aeropuertos locales de Corvera (a solo 50 km) y Alicante (a menos de 100 km) ofrecen vuelos regulares al resto de Europa, lo que hace muy fácil la entrada y salida del resort.

La Manga Club enjoys excellent air connections. The local airports of Corvera (only 50 km away) and Alicante (less than 100 km away) offer regular flights to the rest of Europe, making it easy to arrive and depart from the resort.

Properties

## THE COMMUNITY

El Boulevard es una exclusiva y céntrica comunidad de uso mixto formada por 7 viviendas y 16 locales comerciales. Combina todo lo que los residentes adoran de La Manga Club: establecimientos de restauración y ocio al lado, vistas espectaculares del Parque Natural de Calblanque y espacios residenciales de calidad. Los 5 apartamentos amueblados de la comunidad están clasificados como propiedades turísticas, lo que significa que los propietarios pueden alquilarlos legalmente cuando están fuera. Las dos villas independientes tienen jardines privados, y todas las residencias tienen aparcamiento y comparten una piscina comunitaria.

El Boulevard is an exclusive, centrally located mixed-use community of 7 residential properties and 16 commercial properties. It combines everything residents love about La Manga Club: dining and leisure establishments next door, spectacular views of Calblanque Natural Park, and quality residential spaces. The 5 furnished apartments in the community are zoned as tourism properties, meaning that owners can legally let them when they are away. The two detached freehold villas have private gardens, and all the residences have parking and share a community pool.

EXCELLENT LOCATION IN THE CENTER  
OF THE RESORT NEAR THE TENNIS  
CENTER (THE RACQUETS CLUB)

A dining area is visible on the left side of the image. It features a long, rectangular wooden table with a light-colored finish and a prominent grain. Four rattan chairs with woven backs and seats are tucked under the table. The chairs have a natural, light-colored finish.

A large, modular sofa in a light beige or cream color is the central piece of furniture in the living room. It consists of several rectangular sofa modules joined together. The sofa is adorned with several pillows in different shades of beige and cream. In front of the sofa stands a white, oval-shaped coffee table. The table has a unique, starburst or geometric base made of thin, gold-colored metal legs.

Communal pool with glass pool tile on the bottom and walls of the swimming pool basin, 2.5 x 2.5 cm, smooth and white, bonded with flexible white cement adhesive.

## HEATING, AIR CONDITIONING AND DHW

Mitsubishi air conditioning system or similar, circulated through ducts. DHW delivered by Thermo aerothermal or similar.

\*The specifications and finishes described above will be used during construction, though they may be subject to modifications that improve the technical, economic and/or aesthetic nature of the project, respecting certain minimum quality standards, and always in line with the criteria defined by the architects and project designers.

## SUSTAINABILITY

Tenemos una relación directa no solo con las personas involucradas en nuestras actividades, sino con todo el planeta y nuestro entorno. El entorno natural es de vital importancia para nuestro resort y comunidades residenciales. Contribuyen al valor y la singularidad de nuestros proyectos, y estamos comprometidos con la preservación del medio ambiente para las generaciones futuras. Aseguramos el uso racional de los recursos y la sostenibilidad de nuestros resorts y respetamos la flora y fauna autóctona.

We have a direct relationship not only with the people involved in our activities, but with the entire planet and our environment. The natural surroundings are of vital importance to our resort and residential communities. They contribute to the value and uniqueness of our projects, and we are committed to the preservation of the environment for future generations. We ensure the rational use of resources and the sustainability of our resorts and we respect indigenous flora and fauna.
